

IMPORTANT: Sandcreek discourages parents from purchasing large “trapper-keeper” like binders for their students. Students are instead, encouraged to purchase the three-ring binders on their supply list. Many teachers have students keep their supplies in the classroom to assure that students are always prepared for class.

ELECTIVES:

Supplies for elective classes will vary from class to class and will be announced at the beginning of the year.

DONATIONS:

Due to recent legislation preventing schools from charging “fees” for classes, we ask for the following donations if you can help.

Disinfecting wipes, facial tissues, dry erase markers, and monetary donations for art, construction, food, and sewing electives.

We also accept non-perishable food items for our food pantry, which assists students and families who need food assistance.

SPECIAL PROGRAMS:

If your student attends a special program, they often will not need all the supplies listed. Please speak with their teachers about their specific needs.

COVID-19

Supplies may change slightly due to COVID-19 restrictions/changes.
